

4-5 sentence narrative:

Teaching: I taught the large-enrollment FLS101 classes in the fall and then oversaw the teaching of those sections by James McConnell in the Spring. I reworked the old FLS309 into the FLS333 class I taught this spring.

Research: I collected more data for my large class research and further developed the article. I plan to make a conference presentation at FLANC this fall and submit an article on the large-enrollment course to FL Annals.

Service: I continued service as DGP on the various department, college and university committees, and I made further progress on the proposed PhD in Hispanic Studies. I will continue to work to get the PhD off campus and to the GA, and work on the assessment of our MA program, and the revisioning of the M licensure program.

Extension: I finished my term as the editor of The Catalyst.
