Christianity

- A monotheistic religion centered on the life and teachings of Jesus of Nazareth as presented in the New Testament.
- It is the world's largest religion followed by Judaism and Islam.
- It began around 1st century AD and shares the Old Testament with Judaism.
Christianity differs from Judaism at the New Testament.

Jesus Christ

- Christians believe Jesus to be the Son of God and the Messiah prophesied in the Old Testament.
- They believe that he was sent to the Earth to save the world of their sins.
- Jesus was born to a virgin mother, another of God's miracles.

- He performed many miracles.
- Baptism was started by Jesus when he was baptized by John the Baptist and is now a rite of passage into the Christian religion.
- He was crucified on the cross and Christians believe that this will save them and give them everlasting life in heaven.
- 3 days after his death he was resurrected and ascended to heaven in a cloud.

The Trinity

- Christians believe that God is one eternal being who exists as three distinct, eternal, and indivisible persons: the Father, the Son, and the Holy Spirit.

New Testament

- The final portion of the Christian bible, that tells of the life of Jesus from his birth to his teachings to his death and the prediction of the Earth after he returns.
- It is most likely that the New Testament was written in Greek or Aramaic.
- It is believed that the authors of all the books were the Apostles.
- Believed to be completed around 100 BC.
